Letter No.H.818 dated 10th February 1928 from Mr. Magajee Narasinga Sahoojee, Santhusapet, Bangalore City, to the Secretary, Stores Purchase Committee, Bangalore:--

---

Correspondence ending with your letter No.7439 dated 7-2-1928.

In reply, I beg to state that after the approval of my rates by the Committee for the supply of belts (davalis) for peons and daffedars of our Government offices for the current official year, I got very very little orders from a very few offices, i.e., davalis about 6 and waist belts about 8.

Considering that I would get very large orders to all the offices of our Government, I got large stock of superior red baneth and other requirements of davalis etc., and I have now a large stock of the same. I have about 200 davalis ready for delivery now. I did not even get orders 5% of what I had estimated. Thus I am afraid I may be put to very heavy loss

Hence after I finish off my stock now on hand, I will furnish the required information.

In this connection I very earnestly request you to kindly refer this matter to the Heads of Departments and see that orders for davalis for peons and daffedars are placed with me for their requirements, to save me from loss.
